IOAS is seeking Freelance Textiles Products Assessors to join our team

The IOAS is a leading, mission driven non-profit organisation incorporated in North Dakota, USA with staff around the globe. We work in the field of accreditation and assessment of bodies engaged in inspection and certification of organic and sustainable agriculture and related fields.

The accreditation and assessment services we provide cover organic agriculture, sustainable agriculture, organic textiles, organic and natural cosmetics, recycled products, animal welfare claims, fair trade, social compliance, and food safety. IOAS clients are based all over the world.

The day-to-day work of the IOAS is performed by a team of core staff with support from a number of contracted assessors and technical experts. For more information about our work, please visit www.ioas.org.

As a result of expanding workloads due to an increased number of applicants in the textiles schemes, we are seeking qualified Lead Assessors with experience in organic and sustainable textiles production and related industries.

TERMS

1. This is a freelance contract opportunity, compensation is based on a daily rate and is commensurate with experience and relevant expertise.
2. Work is assigned based on qualification and competence of the individual to conduct document review, assessments, and/or serve as Technical Expert.
3. Assignments will be offered by IOAS on an as-needed basis. The consultant may reject assignments based on availability and/or ability to complete the work.

Requirements

Experience in assessment work with other Accreditation bodies in a related scheme would be a pre-requisite to start working as a Lead assessor with IOAS.

However, we would also look into applicants with vast experience in inspection and certification of the specific scope/scheme (and certain familiarity with ISO/IEC 17065) to consider them as technical assessor. Applicants must be able to work on their own as well as part of a team and show good attention to detail. Fluency in English is essential and at least one other language highly desirable.

Application

Please visit our website to download the application form ([FR0403](#)), and submit the completed form, along with Curriculum Vitae, References, and copies of applicable certifications/qualifications to info@ioas.org with subject line 'Freelance Textiles Assessor Recruitment', Attn: Amaia Aldana

Closing date is November 30, 2022
