

Accreditation Letter

Accreditation number: **COR00906011**

Date issued: **January 29, 2021**

Date amended: **April 15, 2024**

This is to confirm that the **Organic Crop Improvement Association (OCIA) International** is accredited by the Canadian Food Inspection Agency on the recommendation of the **IOAS** to certify agricultural products and packaging and labelling activities as organic in accordance with the requirements set out in Part 13 of the Safe Foods for Canadians Regulations.

OCIA is accredited to certify food commodities as organic and issue certificate for packaging and labelling activities, in accordance with the requirements set out in Division 4, Part 13 of the Safe Foods for Canadians Regulations and the requirements outlined in the Canada Organic Regime Operating Manual.

This accreditation is subject to regular surveillance by the **IOAS**.

Accreditation period: 5 years starting **January 30, 2021***

The accreditation scope and the geographical scope for which this accreditation is valid are listed in the appendix**, which is an integral part of this letter.
