of 14 May 2025

amending Commission Implementing Regulation (EU) 2021/1378 as regards the recognition of certain control bodies in accordance with Article 46 of Regulation (EU) 2018/848 of the European Parliament and of the Council as competent to carry out controls and issue organic certificates in third countries for the purpose of imports of organic products into the Union

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2018/848 of the European Parliament and of the Council of 30 May 2018 on organic production and labelling of organic products and repealing Council Regulation (EC) No 834/2007 ⁽¹⁾, and in particular Article 46(1) thereof,

Whereas:

- (1) Annex II to Commission Implementing Regulation (EU) 2021/1378 ⁽²⁾ contains the list of control authorities and control bodies recognised in accordance with Article 46(1) of Regulation (EU) 2018/848 as competent to carry out controls and issue organic certificates in third countries for the purpose of imports of organic products into the Union in accordance with Article 45(1), point (b)(i), of that Regulation.
- (2) Article 46(2) of Regulation (EU) 2018/848 lays down the criteria that the control authorities and control bodies must fulfil in order to be recognised in accordance with Article 46(1) of that Regulation. Commission Delegated Regulation (EU) 2021/1698 ⁽³⁾ lays down the procedural requirements to be met by those control authorities and control bodies when submitting to the Commission their request for recognition consisting of a technical dossier.
- (3) The Commission has received and examined, in accordance with Article 1 of Delegated Regulation (EU) 2021/1698, the requests for recognition from 'Bio Latina Certificadora', 'Primus Auditing Operations Mexico' and 'PT BIOCert Indonesia'. Based on the information contained in their technical dossiers, the Commission has concluded that it is justified to recognise, for an indefinite duration, those control bodies for certain product categories in certain third countries.
- (4) The Commission has also received and examined, in accordance with Article 2 of Delegated Regulation (EU) 2021/1698, the requests for the extension of the scope of their recognition to certain product categories and certain third countries from 'ACO Certification Limited', 'ACT Organic Company Limited', 'CCPB Srl', 'Ecocert SAS', 'Mayacert S.A.' and 'OneCert International Private Limited'. Based on the information contained in their technical dossiers, the Commission has concluded that it is justified to recognise, for an indefinite duration, those control bodies for the requested product categories and third countries.

⁽¹⁾ OJ L 150, 14.6.2018, p. 1, ELI: <http://data.europa.eu/eli/reg/2018/848/oj>.

⁽²⁾ Commission Implementing Regulation (EU) 2021/1378 of 19 August 2021 laying down certain rules concerning the certificate issued to operators, groups of operators and exporters in third countries involved in the imports of organic and in-conversion products into the Union and establishing the list of recognised control authorities and control bodies in accordance with Regulation (EU) 2018/848 of the European Parliament and of the Council (OJ L 297, 20.8.2021, p. 24, ELI: http://data.europa.eu/eli/reg_impl/2021/1378/oj).

⁽³⁾ Commission Delegated Regulation (EU) 2021/1698 of 13 July 2021 supplementing Regulation (EU) 2018/848 of the European Parliament and of the Council with procedural requirements for the recognition of control authorities and control bodies that are competent to carry out controls on operators and groups of operators certified organic and on organic products in third countries and with rules on their supervision and the controls and other actions to be performed by those control authorities and control bodies (OJ L 336, 23.9.2021, p. 7, ELI: http://data.europa.eu/eli/reg_del/2021/1698/oj).

- (5) The Commission acknowledges receipt of notification from 'Balkan Biocert Macedonia DOOEL Skopje' of its intention to voluntarily relinquish its recognition. Based on this notification, the Commission has concluded that it is appropriate to remove this control body from the list of recognised control bodies set out in Annex II to Implementing Regulation (EU) 2021/1378.
- (6) Commission Implementing Regulation (EU) 2025/883 ⁽⁴⁾ extended the scope of the recognition of Japan for the purposes of equivalence to live animals and unprocessed animal products as well as to all processed agricultural products for use as food, including wine and alcoholic beverages, with organically grown ingredients that have been grown in Japan, or imported into Japan from the European Union, from third countries whose production methods and control measures have been recognised by Japan as equivalent to those laid down in the Japanese legislation, or from third countries through the system of control bodies recognised by Japan as competent to certify operators in those third countries as complying with the organic production rules of Japan. Consequently, those product categories no longer need to be included in the list of product categories of recognised control authorities and control bodies in accordance with Article 2(1), point (b), of Implementing Regulation (EU) 2021/1378, and the control bodies 'Control Union Certifications B.V.', 'Ecocert SAS', 'Japan Organic and Natural Foods Association' and 'Organic Crop Improvement Association International Inc', listed in Annex II to that Regulation are therefore no longer competent to carry out controls and issue organic certificates for them in Japan for the purpose of their import into the Union.
- (7) Implementing Regulation (EU) 2021/1378 should therefore be amended accordingly.
- (8) The measures provided for in this Regulation are in accordance with the opinion of the Organic Production Committee,

HAS ADOPTED THIS REGULATION:

Article 1

Annex II to Implementing Regulation (EU) 2021/1378 is amended in accordance with the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the third day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 14 May 2025.

For the Commission
The President
Ursula VON DER LEYEN
